## Selling Points

### 1 Stylish Small-Form Factor and Windows® 7

One third the size of a normal PC, the eMachines **small-form-factor PC** is tiny but robust with room for upgrades and a wealth of **front access ports** to complement the machine.

The eMachines® Desktop PC showcases powerful computing in a stylish slim design that is **EnergyStar® compliant,** helping save energy and protecting the environment without sacrificing quality and performance.

**Windows® 7 Home Premium 64-bit** operating system is designed to be more reliable, more responsive, and to make the things you do every day easier - the best entertainment experience on your PC.

### 2 Reliable Dual-Core Performance

The **AMD Athlon™ II X2 Processor** provides powerful **Dual-Core** performance to keep you connected, informed, and entertained. Tackle demanding productivity apps, browse the Internet, manage finances and enjoy a unique digital experience.

**2GB Memory** delivers fast response time enabling efficient multitasking and quick boot ups.

**NVIDIA® GeForce® 6150 SE graphics** delivers vibrant, lifelike graphics with best-in-class performance for applications and games.

### 3 Digital Media Made Easy

**Multi-in-One Digital Media Card Reader** supports a wide variety of memory cards for a convenient cable-less file transfer. **(9) USB 2.0 ports** ensure fast date transfers from printers, flash drives, video cameras and more.

Access your **SuperMulti DVD drive** with the touch of a button and burn your own CDs and DVDs as well as watch movies**.**

The massive high-speed **500GB Hard Drive** enables fast data transfers and provides plenty of space to store documents, photos and video.

## Product Messaging

### Taglines

Performance Made Simple

### Positioning Statement

The eMachines® EL1352G Desktop is space-saving and affordable featuring reliable AMD Athlon™ II processing, rich graphics performance and plenty of storage space for all of your media and files. And with Microsoft® Office Starter 2010, Windows® 7 Home Premium Operating System and front accessible ports, it is simple to have fun with your digital media, keep in touch with friends and tackle tasks with ease.
